Dear Civilian Nuclear Waste Management Office:

I am writing to urge you NOT to allow Yucca Mountain to become a nuclear storage site. I am urging you to honor your treaty with the Shoshone Nation and leave their little piece of land alone. Also due to the numerous fault lines and underground river makes Yucca Mountain an unsuitable site. To state facts bluntly, there is no place on this Earth that is suitable. Please DO NOT USE YUCCA MOUNTAIN AS A NUCLEAR WASTE DUMP.

Thank You. Our Childrens future is at stake.

Sincerely,

Susan Nagle
